I recognise that Northbridge Sailing Club is run by its members on a voluntary basis and any benefit I may gain from my membership has been provided by members who are not paid, in the ordinary course of the sailing season, for their effort.

I will be available for formal roster duties and understand that I will receive details via email for access to the Club's roster system.

“Volunteer” Rosters

All Members/Parents are required to provide some time to the club each season.

In simple terms; one of each of the following.

1. Officer of the Day & Assistant Officer of the Day

The OOD position is an all day shift. The PM shift includes an Assistant which is a very suitable position for someone new to the club or new to sailing/boating.

The OOD manages the club during the racing day and, among other things, ensures club boats, radios and other equipment is made ready for use in the morning. Boats are refuelled and racing marks laid during the day and all equipment is cleaned and stored at the end of the day. As the role involved driving the larger club boats a NSW Boat Licence is required.

The OOD is expected to arrive at 8.30am and finish when all equipment is packed away at about 5.00pm.

The Assistant OOD should arrive at 12.30pm to assist with laying the afternoon racing marks and then finish when all equipment is packed away at about 5.00pm.

2. Canteen

The Canteen runs from about 9.00am until mid-afternoon. It offers a reasonable breakfast and lunch to members as well as selling hot and cold drinks, a variety of bread rolls, pies and sausage rolls, pastries and confectionary.

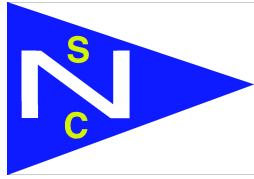

The canteen is busiest in the mornings, particularly when the Sailing School is running during October, November and December, so the morning crew start at 8 am.

The canteen buyer starts at 10am (after buying lunch supplies) and may find time for a good book or a chat with other members and occasional visitors later in the afternoon.

3. Working Bee

While some of the club maintenance is undertaken by professional contractors, working bees are held a few times each year to undertake periodic maintenance tasks.

Members are expected to participate for four hours in one working bee each year.

Membership Agreement

MEMBERSHIP and RACKING AND BOAT STORAGE AGREEMENT - NORTHBRIDGE SAILING CLUB LTD

I acknowledge that by paying applicable Membership and associated fees (including any Joining fee, annual subscription and any other fee applicable as imposed by Northbridge Sailing Club Ltd (the "Club")) either on my own behalf or on behalf of my family (in case of a family membership) or on behalf of my child/children (in the case of a junior membership) I, my family and/or my child(ren) become members of the Club for the period backdated to 1 September of the "sailing season" (defined as the period from 1 September to 30 April the subsequent year) during which the membership and associated fees are paid. The membership continues to be current until 1 September of the calendar year in which the April of that sailing season falls.

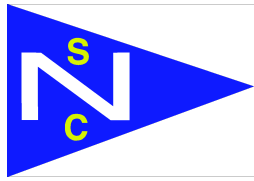

Renewal of Membership and associated fees are payable by 30 September each year. If membership and associated fees as set out in the membership application/renewal form and any other notice sent by the Club (including any notice of arrears of fees and charges not paid) in respect of the applicable sailing season are not paid by 1 November of the current sailing season the individual, family or junior membership is considered to have lapsed. The Club reserves the right to reinstate membership at its discretion if payment is received after that date but is not obliged to do so. This renewal timeframe does not apply to Winter Members.

Notwithstanding the ceasing of a membership, by initially entering into a membership of the club the person, family or parent of junior who did join the Club in the past remains liable to pay the club any outstanding fees or charges properly levied by the Club including any outstanding racking fees and additional charges. I acknowledge that I cease to become a member of the Club if I fail to fully pay my annual membership fees and any other fees or charges by 1 November of the applicable "sailing season" year.

I understand that if my boat or any boat owned by a member of my family is racked and stored at the premises of Northbridge Sailing Club Ltd (the "Club") at my/our own risk and that the Club and its members accept no liability or responsibility for any damage or loss to the boat whilst at the Club.

I warrant that any boat owned by me or my family entered into races at the Club has 3rd party personal and property liability insurance with a minimum cover of \$10,000,000.

I agree to indemnify the Club against any claim arising from any damage or loss in relation to the stored boat, including its hull and all equipment associated with the boat.

I agree to remove my boat within 14 days of my ceasing to be a member of the Club and or within 14 days of selling my boat.

I agree to pay an additional charge equivalent to the current annual racking fee that may be imposed by the Club for failure to meet annual racking fees or failure to comply with the paragraph above.

I agree I have read and understood the above and Disclaimer of Liability and Risk Warning notice and agree that it applies to me and, if applicable, my family.
